The Pat Summitt Foundation, a fund of East Tennessee Foundation, was established by Pat Summitt in November 2011. Its mission is to award grants to non-profit organizations that advance research for treatment and a cure, provide support for patients and caregivers, and educate the public on Alzheimer's disease. In January 2015, The Pat Summitt Foundation formed a strategic partnership with The University of Tennessee Medical Center to create The Pat Summitt Clinic. The clinic delivers care to Alzheimer's patients, provides caregiver support, and conducts clinical research trials.
